Modernage Public School and college Abbottabad, Abbottabad, Pakistan

2022
BISE Rawalpindi | Pre-Engineering
Cadet College Fateh Jang , Attock Pakistan.

2023-2025 (continue)
Bachlors Of Science | Artificial Intelligence (4th Semester)
Pak-Austria Fachhochschule Institute of Applied Sciences and technology Mang Haripur.

PROJECTS

Personal Portfolio
Developed and hosted a responsive personal portfolio using web development concepts (HTML, CSS, J avaScript) to showcase web development projects, with an active repository on GitHub.
Portfolio Link | https://mavericks-44.github.io/Port-Folio/

Music Website
Designed and developed a responsive music website using HTML, CSS, and J avaScript to showcase music tracks, albums, and artist information.

AI Chatbot
Developed an AI-powered chatbot using Python and the Gemini API to provide intelligent, interactive responses based on user input.

Basic Student Management System
Developed a student management system in C++ to handle student records, including adding, editing, and deleting student data, and displaying results.
